Amherst	8/12/2019 by 1:00 p.m.	September 28-30 & October 19-21	As part of Amherst College's commitment to diversity, the Office of Admission hosts two weekend Diversity Open Houses (DIVOH) in the fall to introduce prospective applicants to Amherst's campus, student body, faculty, classes, and residence halls. Up to 100 students are selected to attend each weekend. The Diversity Open Houses are available to all prospective students, but the DIVOH selection committee prioritizes the invitation of students from traditionally under-represented groups, such as African-American, Hispanic/Latino American, Native American, and Asian-American backgrounds, as well as first-generation students. To support socio-economic diversity, the selection committee will also prioritize students from families with limited financial resources, regardless of cultural or racial background.	<a href="https://www.amherst.edu/admission/divoh/">https://www.amherst.edu/admission/divoh/</a>
